Black Angus Beef are purchased from a local farm.

They are grain fed for several months for quality and great taste.

We buy grain fed hogs from a local farm.

No medicine or hormones are given to any of the animals.

We cut and freeze the meat all in the same day to ensure freshness.

Nothing we have is cured or smoked.

We sell beef and hogs ready for the freezer. Call 1-3 wks ahead.

These prices include everything: the meat and processing bill.

They are priced by the dressed weight which is the carcass hanging in the cooler.

You will lose 30-40% of carcass weight depending on cuts.

Average weights & prices:

>>> **Beef** - \$2.80/lb dressed weight (averaging 500 lbs)
